# Welcome to Serverless Tech

Welcome aboard! We are thrilled to have you join the Serverless Tech Pvt Ltd family. This handbook is your go-to guide for understanding our culture, policies, expectations, and the many benefits we offer as part of your employment with us.

At Serverless Tech, we believe that our people are our greatest asset. We are a technology-first organization committed to building scalable, cloud-native solutions that power businesses across industries. Every team member plays a vital role in that mission.

Please read this handbook carefully and keep it as a reference throughout your time with us. If you have any questions, your HR Business Partner is always available to help.

## A Message from Our CEO

*"We started Serverless Tech with a simple belief: that modern cloud infrastructure should be accessible, scalable, and developer-friendly. Today, our team of passionate engineers, designers, and business professionals make that vision a reality every single day. This handbook reflects the values we live by — transparency, ownership, and relentless improvement. Welcome to the team."*

# Company Overview & Values

Serverless Tech Pvt Ltd is a cloud-native services company specializing in serverless architecture, DevOps transformation, and managed cloud solutions. Founded in 2018 and headquartered in Bengaluru, Karnataka, we serve clients across APAC, the Middle East, and Europe.

- Employee recognition program: Spot awards, peer recognition, and annual awards
- Flexible benefits basket: ₹10,000/year — choose from meal cards, fuel, books, or gadgets

# Code of Conduct & Ethics

All employees of Serverless Tech are expected to conduct themselves with the highest degree of professionalism, integrity, and respect — whether in the office, on client sites, at events, or while representing the company online.

- Treat all colleagues, clients, and vendors with respect and dignity
- Maintain punctuality and reliability in your commitments
- Communicate honestly and constructively — avoid gossip or negative talk
- Respect intellectual property — do not copy or misuse proprietary code or content
- Represent the company positively in all external interactions

## Anti-Harassment & Non-Discrimination Policy

## Conflict of Interest

## Social Media & Public Communication

## Anti-Bribery & Anti-Corruption

# Workplace Health & Safety

Serverless Tech is committed to providing a safe, clean, and healthy work environment for all employees. The company complies with all applicable occupational health and safety laws in India, including the Factories Act and Shops & Establishments Act.

- Familiarize yourself with emergency exits, fire extinguishers, and first aid kit locations
- Report any safety hazards, broken equipment, or unsafe conditions to Facilities immediately
- Do not block emergency exits, corridors, or safety equipment
- Follow all posted safety signage and instructions

|                     |                                                                    |
|---------------------|--------------------------------------------------------------------|
| Fire Emergency      | Activate alarm, evacuate via nearest exit, assemble at parking lot |
| Medical Emergency   | Call 108 (Ambulance) — first aid kit at reception                  |
| Facilities Helpdesk | +91-80-4567-8900 (ext. 100)                                        |
| Security            | +91-80-4567-8901 (24x7)                                            |

## Ergonomics & Mental Health

# Remote Work & Hybrid Policy

Serverless Tech operates on a **hybrid-first** model. Employees are expected to be in the office on designated anchor days while having the flexibility to work remotely on other days.

|                   |                                                                |
|-------------------|----------------------------------------------------------------|
| Office Days       | Tuesday, Wednesday, Thursday (mandatory anchor days)           |
| Remote Days       | Monday and Friday (flexible)                                   |
| Full Remote Roles | As defined in the employment letter for remote-first positions |
| Client-Site Roles | Travel and presence requirements communicated separately       |

## Remote Work Guidelines

## Work from Abroad

# Performance & Growth

|                  |                                                             |
|------------------|-------------------------------------------------------------|
| Mid-Year Review  | July — informal check-in with manager; goal recalibration   |
| Annual Appraisal | January–February — formal review against goals set in April |
| Increment Cycle  | April 1st — effective for all confirmed employees           |
| Promotion Cycle  | April 1st and October 1st (bi-annual)                       |
| Rating Scale     | 1 (Below Expectations) to 5 (Exceptional)                   |

## Career Progression

## Performance Improvement Plan (PIP)

# IT, Data & Confidentiality

- Company-issued laptops and devices remain the property of Serverless Tech at all times
- Employees are responsible for the safe custody of issued equipment
- Report lost or stolen devices to IT within 2 hours at [it-support@serverlesstech.in](mailto:it-support@serverlesstech.in)
- Personal use of company devices should be minimal and must not compromise security
- All devices must have company-approved antivirus and MDM software installed
- Devices must be returned in working condition on the last day of employment

## Confidentiality & NDA

# Grievance & Disciplinary Process

Serverless Tech encourages open dialogue. If you have a concern, follow these steps:

- **Step 1 — Informal Resolution:** Speak directly with your manager or the concerned party within 7 days of the issue.
- **Step 2 — HR Escalation:** If unresolved, raise a formal complaint with HR at [hr@serverlesstech.in](mailto:hr@serverlesstech.in) within 15 days.
- **Step 3 — HR Investigation:** HR will investigate, speak to all parties, and resolve within 30 days.
- **Step 4 — Senior Leadership:** If unsatisfied, escalate to the CHRO within 7 days of HR's resolution.

Violations of company policies may result in the following actions and disciplinary measures:

| <b>Action</b>         | <b>When Applied</b>                                         |
|-----------------------|-------------------------------------------------------------|
| Verbal Warning        | Minor first-time violations                                 |
| Written Warning       | Repeated minor violations or moderate violations            |
| Final Written Warning | Serious violations or post-written warning recurrence       |
| Suspension            | Severe violations pending investigation                     |
| Termination for Cause | Gross misconduct, fraud, harassment, or repeated violations |

# Separation & Exit Policy

|                            |                                      |
|----------------------------|--------------------------------------|
| Probation Period           | 7 days (either party)                |
| Confirmed — Junior (L1–L3) | 30 days                              |
| Confirmed — Mid (L4–L6)    | 60 days                              |
| Confirmed — Senior (L7+)   | 90 days                              |
| Notice Buyout              | Allowed with manager and HR approval |

## Full & Final Settlement
